

Welcome, and thank you for your interest in sponsorship of the BC & Yukon Outstanding Young Farmers Program.

This program is administered in whole by volunteer alumni members and keeps existing because of the contributions of industry sponsorship.

We have a number of different levels of monetary sponsorships available. – see attached

Contributions of in-kind donations are also welcome and will be given the appropriate designation based on a value deemed by the Board of BC/Yukon OYF.

Benefits of Sponsorship:

Use our Program as an opportunity to:

Promote your Customers – Nominate a customer that fits our criteria of an OUTSTANDING YOUNG FARMER

Increase your Company's Profile with this group of top quality producers

Associate your business with these successes and examples of excellence

Network with the cream of the crop of farmers, growers and producers that are on the cutting edge of their industries

Use this resource for focus group studies, research and development. These farmers are innovative, creative, and effective operators who have a raised profile in their communities.
